**League Rules-** Based on the amount of players we have we will be split into different divisions based on handicap. It will be a 1 vs 1 format where at the end of the season there will be X players fighting it out in a playoff format. For those that didn't make the playoffs there will be a race to the finish. Each remaining player will fight for the X places using the last 2 weeks total score to win the prize and will be handicapped as well. Scores can be entered up to 5pm Sunday of that week. You will be allowed to miss 2 matches if needed and your score will be handicap plus 3 strokes, so if you can't make it, there is a chance you can win. Once playoffs begin you must get approval in the event you can't play the Wednesday of playoffs. In the event of a tie, first tie breaker is head to head match up, 2<sup>nd</sup> will be low round with handicap shot, and last will be total score throughout the season. Playoff format subject to change once all players are signed up. **40 max players so get signed up asap.**
